

On December 5, 2018, Brentwood Freshman Center Guidance Counselor & Girls, Inc. Liaison, Antoinette Shervington, along with Dr. Marilyn Solano, BFC School Social Worker and Ms. Martha Perez, BFC Spanish Teacher & Girls, Inc. Advisor, took 21 BFC Girls to the headquarters and manufacturing facilities of Sundial Brands, producer of major product lines including Shea Moisture, Madame CJ Walker and NYKAIO. The girls learned about marketing, finance and participated in vision board workshops as well as a “Speed Mentoring” endeavor. Each participant was given a gift bag containing well over \$100.00 worth of products. The staff is being offered the opportunity to bring select participants back for a salon & photoshoot experience.

Thanks to the awesome staff at the Freshman Center for giving our students such a great learning experience!

Strong.
Smart.
Bold.
