Curriculum and Course Guide

Simplifying the College Planning Process

These four steps can help simplify the planning process.

1. Understanding admission factors
2. Learn about the SAT, SAT Subject Tests and ACT
3. Explore College Options
4. Develop a financial plan

What Colleges Consider

Primary Factors:

- Quality/Rigor of Academic Courses
- Academic Performance/Grades
- Test Scores (SAT, Subject Tests, ACT's)
- AP Scores

Grades & Course Work

Colleges will look at a few aspects:

- ❖ Course selection: Rigorous course load
- ❖ Grades: Every year counts (9th-12th)
- ❖ GPA trends: Keep improving every grade
- ❖ Class Rank

Factors that Influence College Choice

- Geographic location
- Size of school/ Demographics
- Academic programs
- Resources
- Reputation
- College visit
- Costs, Financial aid, Scholarships

How do we use these factors?

- Guidance Counselors – With the use of college search engines, we help students develop a list of approximately 8 schools
- We usually suggest students apply to 6-8 schools. Ten at the most.

Selecting Schools

- ◎ **Safe Schools-** Colleges to which the counselor is confident student will be admitted and afford
- ◎ **Target Schools-** Colleges to which chances of admission are not assured, but are on target due to the historical data and comparable credentials of student
- ◎ **Reach Schools-** Colleges to which the possibility of admission are slim **or** unpredictable, either because student's credentials are more modest than those of the typical applicant or because the application pool is extremely competitive

After narrowing your choices:

- Begin additional research on each school
- Schedule a campus tour
- Speak with an admissions counselor
- Talk to students and faculty
- Read the student newspaper
- Ask about financial aid opportunities
